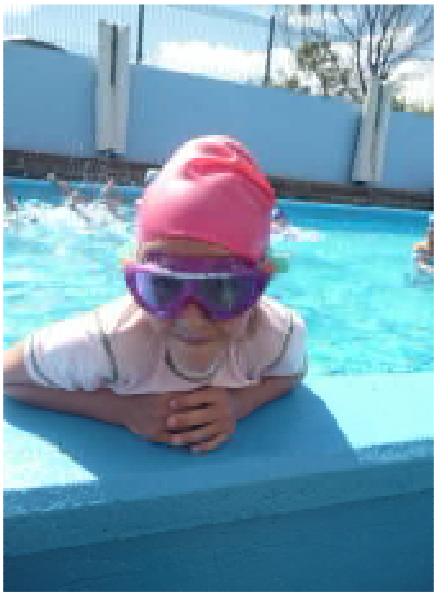
ROOM 3 NEWS

Week 6 Swimming -The Pool is Open! Room 3 are super excited that our pool is open. We braved the cold and had our first swim on Tuesday. The children said the water was cool, but sparkling clean.

Friday is Grandparent's day. Invitations have been sent home and we look forward to seeing all the Nans and Papas at school to celebrate this special day, where our Kapa Hapa and Music group will perform for us all.



This term Room 3 have a poetry focus. We have written many different types of poems over the course of the last six weeks. We are really excited to share these with you at the end of the year. I have especially enjoyed watching the children create poetry in their own time. It is a sure sign that they are enjoying their learning. Nga mihi nui.
