

# News From Room Five

We have had a great start to Term 3. We are very pleased to have 7 new class members who have moved up from Room 6. Welcome to Joe, Kahtanya, Raina, Reina, George, Declan and Hunter. It is lovely to see the children all well rested and eager to continue with their learning. We have enjoyed sharing our holidays stories and some of us have used the thinking hats to reflect on our holiday activities.

## Green Hat Creativity

In the holiday I was dancing with my Nanny. We danced to some nice music

We are looking forward to a busy term ahead of us. We will be bringing reading books home each night and spelling words to learn for the week. Our special topic this term is, the school wide, Social Science topic, "Special Places". We are excited and looking forward to going on the trips to Waitangi, the Stone Store/ Kemp House / Rewa's Village, Exploring Kaeo, a visit to Lonsdale Park and a beach clean-up, to learn about how the past is important to people and how places in our local area are significant to individuals and groups.
