Term 4

Week 1

Hello,

Yesterday I was an attendee at the Graeme Dingle Foundation Excellence Awards at Government House in Auckland where our school was joint winner of the 'Outstanding Kiwi Can School' award.

It was an honour to accept the award from the Governor General Her Excellency the Right Honourable Dame Patsy Reddy on behalf of our school and our school community.

In truth, supporting the Kiwi Can initiative is easy as we share so many of the goals and ideals of Kiwi Can. Building children's ability to be kind, helpful, supportive, resilient, and to cooperate with others and to do their best are all tenets of Kiwi Can that fit cohesively with our school values.

A big thank you to our friends at Kiwi Can and in particular to Tracy Rouse who co-ordinates the programme so skilfully across each of the schools in our area.

Kind regards,
Paul Barker.

Kapahaka

This years Cultural Festival at Waitaruke is now only a few weeks away and our Kapahaka ropu are working hard in preparation for same. This year kapahaka has been so popular that not all of our group will be performing at Waitaruke and we will be choosing those students who have shown a continued commitment and dedication towards Kapahaka for this performance. The balance of the children will get other opportunities to perform in due course.
