

# Kia Ora from Room 1

Kia Ora and welcome back to Kaeo School for 2017!

My name is Debbie Hancock and I am the new Deputy Principal and will be teaching in Room 1.

We have had a magnificent start to 2017, with a very moving powhiri and being welcomed into the school by not only the amazing staff, but also by your wonderful children.

We in Room 1 have been working hard with our 'Zentangle Art' and also have begun our inquiry unit into the endangered whoo duck.

Room 1 is always open for visitors, please let us know if you have any particular skills, or special abilities you think may be useful to us... we love having visitors.

What step are you on?
