

Room 1 – Term 3 – Week 3

Treaty of Waitangi

Room 1 had an amazing (if not slightly damp) trip to the Waitangi Treaty Grounds this week! Such an amazing place, well worth a visit!

Netball Stars in the making!

Four very talented netball players recently travelled to Auckland to compete in the St Johns Netball tournament. Not only did they win their age group final, no other team scored more than 3 goals against them! Well done Alecia, Aranui, Madison and Samara.

Room 1 & 2 – Science – The Living World

Room 1 & 2 have been lucky enough to have Mrs Heeps with us this week, finding out all about the living world. We completed an investigation into plants and what they need in order to survive successfully.

Carrying on from this, we will be germinating our own kumara plants, and carrying out scientific observations on them.
