Term 1

Week 4

Hello,

Everyone who has been part of the Kaeo School community will know the importance that we place on attendance at school.

We are proud that, in the main, our attendance levels are very good. Indeed, according to the Governments last attendance survey our schools attendance levels exceed those of similar schools to ours and those in Northland – well done everyone!

The next step though is to get everyone here on time. Too many children are arriving at school late. The beginning of each day is very important as this is when teachers are setting the scene for the rest of the day, sharing the plans and the information with their classes that leads to a successful, learning filled day. Also children feel a better part of the class and school whanau and a better connection to the school if they are part of the beginning of the day routines.

For parents being on time often means that the children have travelled to school on the bus which saves time and money transporting children to school.

I would appreciate your assistance in this regard please, and if there is any way that the school can help getting the children here by 8.45am then please let me know.

Kind regards,
 Paul Barker.

Kaeo Rugby

Kaeo Rugby Club's registration days will be held on Saturday 11th of March and Saturday the 25th of March at 10am on both days.

Pre-School

It was great to see so many children at Pre-School this week. Tracy Rouse teaches our pre-schoolers from 9.10 to 11am each Tuesday and everyone aged from 3-5 is most welcome.

Students of the Week

Congratulations to our Students of the Week for Week 3 – Malika, Wyn, Atawhai, Stan, Corvynn (in Mr Barker's chair!) and Royall.

School Leadership Group

Congratulations to those children (and their parents and caregivers) selected to be part of our new Leadership Group. The children will be undertaking leadership roles across the school and in key areas this year, developing their understanding of leadership and being key role models for the balance of the school. Already we are seeing children stepping up and showing how we do things here at Kaeo School! A big thanks to Mrs Sutherland for this great initiative.

Girls Soccer Day

Our Year 5/6 girls soccer teams did us proud both on and off the pitch this week with our 'Hoops' team winning 6 and drawing 2 of their eight games whilst the 'Blues' side won all of their games scoring 43 goals and conceding only 2! Thanks to Vincent Stewart who looked after the 'Hoops' for the day. Pictures are on our Facebook page.

Meet the teacher evening is tonight at school beginning at 5.30pm in the hall. There will be a few fun games on the back field and a sausage sizzle dinner for those who get hungry!
