

Kia ora from Room 4.

Room 4 have made a fantastic start to 2017. We have been learning all of our routines and have now started our regular reading, spelling and maths program. We are lucky enough to have joined the 'Get New Zealand Writing' group, and this term we will be sending postcards to a primary school in Orewa. The class are excited to share their writing, and of course receive postcards from their buddy class.

We have completed some lovely Modigliani inspired portraits, and will soon be looking at Picasso for inspiration. We are also learning to play the recorder this term.

Our pool is not yet up and running in time for this term, and our class are just a bit too small to go over to the community pool for a swim, so our focus for Physical Education this term is on running, jumping, and throwing. We are also lucky enough to be doing hockey with Sport Northland.

Here is a picture of our lovely class.
