## red-purple-green-orang Room Three

Kiaora Whanau. It's another busy term for Room Three this term. We are just about ready to start piecing together our Peggy squares for our baby blankets which we are giving to starship hospital and we have fundraised for our 'little free library' project, which will be getting underway soon.

Check out below some of the amazing Peggy squares that have been sent in so far, and if you are able to make one or two they would be greatly appreciated.

As I write this some of the children at Kaeo School are getting ready for Kaeo's Got Talent. We wish all those children luck.

Room Three has an Art focus this term of colour relationships and painting techniques. We have discovered lots of different ways to apply paint to paper and the colours on the colour wheel.

This week for writing we have been adding adjectives into our sentences to make them more interesting, below are some examples.

sparklebox.co.uk

The small, playful kitten played with the string - Jahlei The car, fast and furious zoomed past the shop - Kauri The kitten, cute and shy was purring - Brooklyn The cute, white kitten was asleep - Atawhai
