

Kia ora from Room 4

Room 4 have been thinking about places that are special to them, and what it is that makes them so special. Earlier in the term we visited Waitangi, a special place in New Zealand. This week our whole school went for a walk down town to see some of the places that make Kaeo the unique little town it is. We have all written about one place that is in our hearts, I hope you enjoy reading them.

A place special to my heart is my Nana's. She is my friend. I remember sleeping at her house and we had a movie. In the morning we had spaghetti and sausages. It was yummy!

A place special to my heart is my brother's house. I remember going to my brother's home. We waded in the river and swam. We had fish and chips and juice.

We have been learning about the different parts of the marae, and the children have made their own wharenui.

My Turangawaewae is Te Ngaere because that's where I stay. That is where our marae is. There is a waterfall there. My marae's name is Kiripaka.

Home. It is special because it is **my** home. It is where my mummy cooks for us. She is a great cook.

A special place to my heart is my Gran's. She passed away and I had to go to her funeral. It was sad.

A place special to my heart is church. I like church because we stand up to sing Jesus songs. After we sing we all pray to God. I go there with my family.
