Kia Ora Whanau,

It seems like the summer holidays are a distant memory as we approach the end of Week 2. The weather continues to be beautifully warm, so we need to make sure our children are wearing their hats and drinking plenty of water. I have noticed a few children coming to school with juice in drink bottles rather than water. Please can we all be proactive about giving our tamariki water only in their school drink bottles. On that note there is always milk available at school for children to drink.

Kind regards,

Debbie Hancock.

### Stationery

We have worked hard with our suppliers to keep prices to a minimum and the standard of items high. This year we are asking for \$50 per child which covers:

- the total cost of stationery
- 3 x interschool trips
- Life Education Trust visit
- \$5 towards copying costs.

It would be appreciated if this could be paid as soon as possible please.

### Summer Reading

Thank you to you if you have returned your yellow summer reading bags with all the books you have read. We are still waiting for some to be returned. Please, please, please return these bags to school as soon as possible, so that Mrs Martin can put them back into the library for everyone to enjoy.

### Pool Changing Rooms

Swimming has started for Rooms 1-3 at the Whangaroa Pool. The pool changing rooms have arrived for our school pool and are being fully installed. This is good news for our junior school, as they will be able to get into the pool soon.

### Mr Barker

Good news, Mr Barker has had his knee operation and is progressing well. The operation was a success and he will be back on his feet and back at school within the next week, all being well.

### Powhiri

A big thank you to Whaea Gee for organising our school powhiri, it is always a pleasure to welcome new children and their whanau to Kaeo School, and also to welcome back past students who have returned.

## Students of the Week

### Students of the Week

A big congratulations to our wonderful students who received their very special certificates.

### Meet the Teacher Evening

Meet the teacher evening is this Thursday, the 14<sup>th</sup> of February at 5.30pm, beginning in the hall. From there, there will be an opportunity to spend some time with your child's teacher before we move outside for a sausage sizzle.

As with every other year, meet the teacher evening is just that, a chance for you to come and meet your child's teacher and have a look around the classroom. Teacher's will be informing you of classroom programmes and routines. Formal interviews regarding your child's progress and achievement will be held later in Term 1.

If you have any concerns or would like to meet your child's teacher, feel free to make an appointment with Sarah at the school office
