Term 2

Week 2

Hello,

Week 3 has seen the leaves falling from the trees at an ever increasing rate, much to the enjoyment of the children. It will soon be time for the annual leaf scattering fun!

Room 1 are continuing with their leadership initiative throughout the school, with a recent introduction of 'awhi hour'. On a Thursday afternoon for an hour groups of children from Room 1, go into other classrooms to awhi other children. This is a great way of forming close and genuine relationships between children across the school, and giving our senior students the opportunity to develop as leaders.

As a result of the Paid Union Meeting and voting on the 8th May, teachers will be taking part in a one day strike on the Wednesday 29th May. Schools will be closed on that day, as the teachers join other primary and secondary schools in the area to highlight the growing concerns facing schools throughout New Zealand.

Our community has always been extremely supportive of teachers, and with this in mind, we would like to extend an invitation to join us at school on the morning of the strike to show your continued support. As soon as I know the exact timetable for the day, I will share it with you.

Busses at the end of a school day have to be a well-tuned and smooth operation, in order for all of our 160 children to arrive safely at their destination. We would appreciate your ongoing help with this by phoning any changes in plans to the office before 2.30pm, or sending a note with your child. This gives us time to update the bus book, and notify children of any changes. In the interests of safety, we cannot take a child's word for changes.

Kind regards,
Debbie Hancock
