Term 2

Week 4

Hello,

Welcome back to Week 4. We have a busy week ahead with two trips planned. The first is the whole school trip to Karangahape Marae on Wednesday and the second is Room 1's sailing on Friday.

I have noticed as the term has progressed more and more children arriving to school late. School starts at 8.50am, and it is important that your child is at school before this time. Teachers are often into the important part of introducing a lesson by 9.00am, and children arriving late can be disruptive.

In order to keep our tamariki safe, I have put cones up in the car park during bus assembly time. If you drive in to pick your child up, could you please not drive down the aisle where the cones are. Also if you are picking your child up, could you come to get them directly rather than them making their way to your car on their own.

Kind regards,
Debbie Hancock

Sailing:

Room 2 were lucky enough to go sailing at Manuwai Lakes last Friday, and Room 1 will be attending this Friday 24th May. Remember a spare set of dry warm clothes.

Kerikeri Cruising Club run a 'learn to sail' programme on Saturday afternoons at the lake, so if you would like to attend, please feel free to contact them, there is no charge for this facility and equipment is provided by the club.

Lunch Orders:

There are an increasing number of children 'forgetting' to order their lunch before school starts. Could you please encourage your child to order their lunch as soon as the breakfast club is open, otherwise it means Tracy is running around after the bell organising children's orders. Tracy

takes small learning groups in the morning and also runs pre-school on a Tuesday, so yours and your child's cooperation would be appreciated.

Support Staff Day:

Last Thursday was National Support Staff Day. We acknowledged and celebrated our hard working groups of support staff with a shared lunch

and each class made them a beautiful card. A huge thank you to all our support staff, we couldn't do it without you!
