Term 2

Week 7

Hello,

As you may remember in a previous newsletter, I alerted you to the recent outbreak of measles here in Northland. There have been a further 6 cases in the last two weeks, and I have been asked again by the DHB to keep you as parents and caregivers informed.

They advise that you let school know if your child is immunised. We still have a large number of children on our roll whom we do not have any immunisation information for. If you are not sure you will be able to find out by contacting your doctor. If your child is not immunised, now would be a pertinent time to have this done, especially with a possible outbreak coming very close to home.

Kind regards,
 Debbie Hancock

Matariki:

We will be celebrating Matariki at Kaeo School between the 24th – 27th June. Whaea Gee is busy preparing activities, speakers and entertainment for this week. We are planning a Hangi on Thursday 27th for our children so would appreciate Hangi men and ladies to volunteer their help for this event. We would also be grateful for any donations of food for the hangi. Please let Whaea Gee know as soon as possible if you are able to help at this event.

PTA (Parent Teacher Association)

This group is made up of a small number of parents and teachers who would love to have a little more help. The job is very small, and you can choose to take on as much or as little as you like. They have 1 meeting a term, and support 3 or 4 school events throughout the year. So you can see the commitment is quite small. Please attend the AGM at school if you would like to know more.
