

Room 1

It has been a very busy week for everyone this week as we celebrate Matariki. Below are some pictures of the lovely people we visited, or that visited us, and helped us celebrate.

The school visited the exhibition in Kaeo where they learned about being Kaitiaki of the Forest.

Wiki and Charlotte came in this week to share with the children what it was like to be a Maori Warden and a Fire Fighter. I'm sure we will have many more volunteers in the future thanks to the inspiring work of these two ladies.

Whangaroa College came to visit this week. Although only a small number of their roopu were able to visit the performance was powerful and beautiful. Well done to these seven amazing rangatira. Thank you.
