Term 2

Week 9

Hello,

Only one more week left of Term 2, this term has flown by. Our children have been lucky to have been part of some new experiences, and have also revelled in the reoccurring events such as the 'gutterboard championship' and Matariki.

There has been a school-wide focus on Science and the material world this term, which has led to some extremely inventive classroom experiments and discoveries.

Looking forward to Term 3 will see yet another wonderful term of art as we work towards our Art Exhibition towards the end of the term. Teachers are already working on their class theme for the exhibition, and I know some have already reserved room space in the hall.

Kind regards,
 Debbie Hancock

PTA (Parent Teacher Association)

If you have ever wondered what the PTA is about and would like to contribute to your child's school, please feel free to join us on Friday 28th June at Kaeo School for the AGM.

Cross Country – Totara North School:

Unfortunately due to terrible weather, the Totara North Cross Country had to be postponed to a future date. As soon as I know this date, I will pass it on to you. In the mean-time, keep running.

Students of the Week – Week 8

As we were supposed to go to cross country last Friday, we did not have an assembly, so no Student of the week for Week 8 or Kiwican awards.

School Photos:

School photos will be taken on 23rd July, which is the **2nd day of Term 3**. If you would like to have sibling photos taken, you need to pre-order these at the school office.

Matariki:

We have been celebrating Matariki in a variety of ways here at Kaeo School this week. We have been lucky enough to be invited down to the Memorial Hall for art and craft activities, waiata and storytelling. Also two young lady police officers came into school to talk to the children and teachers have been reading

Matariki stories to other classrooms after lunch. To conclude our Matariki celebrations, we had a shared lunch.
