**Week 4**

Hello,

Not a lot of space for me this week except to say thanks to everyone who sent their child to school wearing green last Friday in support of the primary and intermediate school principals. It seemed to work – the government made an improved offer that very afternoon! Thanks again.

Kind regards,  
 Paul Barker.

### Parent/Teacher Meetings

We have had to put the date back for Parent/Teacher meetings one week to Wednesday the 21<sup>st</sup> and Thursday the 22<sup>nd</sup> of August. Notices have been sent home this week.

### Kaeoannes Group

A big thanks to the lovely ladies at Kaeoannes who have kindly supported our Art Exhibition with a donation of \$300 towards the costs associated with the event. Much appreciated.

### Hoki ki te Rito

Hoki ki te Rito is a 14 week relationship programme for parents of babies and young children to support them with the challenges of parenting and to build the confidence to develop and nurture positive changes in their relationship with their children. The programme is being assisted by Te Runanga o Whaingaroa and provides for free transport, lunch, and childcare. Please contact the lovely Clairra Harris for more information on (09) 405 0340 or 021 852 269.

### Headlice

Headlice/nits are a fact of life at schools but also an annoying and sometimes expensive problem too. It would be appreciated if you could please check your children regularly and if you find any of these pests in your child's hair, treat your child promptly. Don't forget too to wash bed clothes and linen in hot water at the same time. Thanks for your help.

### Students of the Week.

Congratulations to the Students of the Week for Week 3 – Marareia, Lee, John, Anahera, Lukas, Kaden, Sonny, Tracey, Che'-Nicole, Malika and Biship.

### Spelling Bee

The first chance for children to win a trophy this year is the annual Spelling Bee which takes place on the 5<sup>th</sup> of September. Lists have been sent home so that children can practice learning to spell the words – someone reading the word and children spelling it back is best as this is how the contest works. Every year the children who practice the most are the most successful – practice does make perfect!

### Dates for your diary.
