Term 3

Week 5

Hello,

An early newsletter this week as we have parent/teacher meetings today and tomorrow.

It is now only three weeks until the 'Great Art Exhibition' which opens on the evening of the 12th of September and runs until Wednesday the 18th.

I am in the fortunate position to have seen the work developing and I can assure you the art will be as amazing as ever and this event will again be one that showcases our children's undoubted talents - and they are learning some important skills along the way!

Please mark your diaries – you won't want to miss it!

Kind regards,
Paul Barker.

Parent/Teacher Meetings

All the educational research tells us that when parents or caregivers make the time to support their children (and especially if their children see this support) that the children do better and are happier at school. Thank you then to those who have made appointments for parent/teacher meetings either today or tomorrow. Your support is both worthwhile and appreciated.

Whangaroa Arts Council

A big thanks to the Whangaroa Arts Council for their very kind support of our Art Exhibition with a donation of \$500 towards the costs associated with the event. Much appreciated.

Health Survey

Every two years we are obliged to consult with the school community about the delivery of our Health Curriculum and a survey form has been sent home today to each family – we value your comments and would appreciate your completion of the survey and its quick return to school please.

Students of the Week.

Congratulations to the Students of the Week and top Kiwi Cannors for Week 4 – Tai, Kawiti, Calais, Journey, Tamati, Marareia, Raumati, Raiha, Ethan –James.

Spelling Bee

The first chance for children to win a trophy this year is the annual Spelling Bee which takes place on the 5th of September. Lists have been sent home so that children can practice learning to spell the words – someone reading the word and children spelling it back is best as this is how the contest works. Every year the children who practice the most are the most successful – practice does make perfect!
