**Week 6**

Hello,

An early newsletter this week as we all head off to Totara North School for the annual Whangaroa Primary Schools Cross Country event tomorrow.

This is always an enjoyable day but it may be cold and a little muddy so it is important that children bring some warm clothes, an old towel, and a positive attitude! There will be a sausage sizzle and a lot of yummy things to eat for sale.

Races begin at around 10.30am and everyone is welcome to come along and support our children and our school.

See you there!

Kind regards,  
Paul Barker.

### Parent/Teacher Meetings

Thanks to everyone who made the time to come to parent/teacher meetings last week. It was a good turnout and this is appreciated. If you ever wish to visit your child's teacher at any time please contact the office and this can easily be arranged.

### Local Event

A date for your diary is the 7<sup>th</sup> of September when there will be a display in the Community Hall commemorating the 28<sup>th</sup> Maori Battalion. Many locals were a part of this group and it promises to be an interesting and informative exhibition.

### Health Survey

Thanks to those of you have completed the Health Survey sent home last week – your thoughts and comments are important to us.

*'You are not here merely to make a living. You are here in order to enable the world to live more amply, with greater vision, with a finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself if you forget the errand'. - Woodrow Wilson.*

### Students of the Week.

Congratulations to the Students of the Week and top Kiwi Cannors for Week 5 – August, Journey, Sindy, Hunter, Eli, Raina, MJ, and Kauri seen here with Willie from Kiwi Can.

### Spelling Bee

The first chance for children to win a trophy takes place next Thursday when the annual Spelling Bee takes place. Lists have been sent home so that children can practice learning to spell the words – someone reading the word and children spelling it back is best as this is how the contest works. Every year the children who practice the most are the most successful – practice does make perfect!
