

This years `Great Art Exhibition is a way to allow the children to showcase their skills and talent in the visual arts. Along the way they learn art skills and techniques, and we hope a love and appreciation of the arts.

The way we meet the costs associated with this event is through the kind donations of the Whangaroa Community Arts Council and the Kaeoannes Group as well as raising funds through our silent auction which is supported by local people and businesses. Here are a few of the items that make up this years Art Exhibition silent auction.
