

Kia ora from Room One

It has been a wonderful start to 2020. Room One is a lovely class, full of fantastic children that are keen to learn. We have lots of kindness being shown already. We have a very busy term planned with a trip to Action World, a camp at Kai Iwi Lakes and hopefully a day sailing at Lake Manuwai. All of that on top of the learning that will be happening in our classroom – including self-directed Genius Hour!

Welcome especially to our three new students; Khazia Flower - Harris, Jewell Matthews and Lachlan Jordan! We are excited to have you in Room One and at Kaeo School this year.
