**Term 1**

**Week 1**

Hello,

It's always one of the happiest days of the year when school resumes after the summer holidays. The children were, almost without exception, happy and excited to be back at school and the teachers and staff all looked rested and refreshed and ready for another busy year.

It was especially exciting this year that the children had their stationery on the first day ready to get learning underway as soon as possible. As a thank you for getting the children back to school on time this stationery is free for all children that attend school for the first two weeks – a good saving at this expensive time of year!

As always, we expect it to be a busy year at Kaeo School – full of learning and a fair bit of fun – here's to a happy 2020!

Kind regards,  
 Paul Barker.

### Swimming Pool

Sadly we are still having problems with the swimming pool and despite our best efforts the pool will not be able to be used until it undergoes a major repair. Work has begun to get this done before the colder weather sets in to ensure that the pool is ready for next summer. I'm sorry about this but there is no alternative really and once this repair is completed then our pool will be (finally) fixed once and for all.

In the meantime the senior children – those in Rooms 1 and 2 will still have swimming but it will be at the community pool.

### Students of the Week

No Students of the Week yet so instead here is a nice picture of Malika and Floyd who were the first children at school this year!

### Welcome

Welcome to our two new teachers – Miss Rona Lawson who will teach in Room 2 and Miss Dessa Harris who will teach in Room 3. Welcome too to Mrs Deborah Smith who joins as in a teacher release role.

Miss Lawson and Miss Harris.

### Dates for your diary:

17 February	BOT Meeting
23 March	BOT Meeting
1 & 2 April	Parent Teacher Conferences
9 April	Term Ends (Thursday)
