

Kia ora e te whānau from Room Three

Wow what a start to the year!!!!

Room Three has been busy getting to know each other, figuring out how their classroom works and doing some wonderful learning too!

We have started brilliantly and have already received a class award for being quiet and respectful during assembly. We are a very considerate and responsible bunch.

We are looking forward to an exciting term full of story writing, “getting to know you art”, and later on in the term our camp at Kai Iwi Lakes!
