

KIWI CAN WEEKLY FUN SHEET

Kiwi Can Theme Term 2

Resilience

Resilience means being able to cope with challenges (difficulties) and bounce back. While in lock down, that could be a range of things from:

- Not being able to go to see friends
- Having your brothers and sisters around you all day
- Not getting to go to the shops

Kiwi Can wants you to focus this week on making your own fun, trying new things and making the best of what you have in your own bubble.

Catch phrase

Kiwi Can says.....

“Challenges we face, we will not fear.

Step up your game, to get you there”

Check out our face book page to see Kowhai from Hato Hohepa Te Kamura show the sign language for our catch phrase!

Leader Profile

Tena koutou katoa! My name is Kenya and I have been working with Kiwi Can for nearly 6 months now. I work at Totara North, Hato Hohepa Te Kamura, Matauri Bay and Kaeo Primary School. The challenges I have set for this week are to encourage simple yet fun and engaging games for whanau with minimal resources needed. I cannot wait to be reunited with all the students I see every week but until then keep safe everyone! The team is working on some fun ideas for you to do at home 😊

GKQ

1. How many cards are in a full deck of cards?
2. How many Jacks are in a deck of cards?
3. What colours can you find on a Pukeko?
4. What colour does red + blue make?
5. What colour does yellow + blue make?
6. How many colours in a rainbow?
7. Name 2 Native trees.

Card Game

SNAP JACK

Objective: Snap the jacks and win all cards

How to play:

Shuffle the deck. Distribute an even amount of cards between all players
Each player is to hold all of their cards together in a deck, face down. Players are not allowed to look at their cards!

One player at a time will draw a card from their deck and place it face up in the middle of the circle. Moving clockwise around the circle everyone will keep doing this until a Jack is present. Once a Jack is presented on the pile, all players must try and “snap” it with their hand. If multiple players have their hand on it, the winner is the person who snaps first or who covers most of the Jack card with their hand. This player will pick up the pile of cards in the middle and add it to the bottom of their deck. Do not shuffle. If a player snaps a card over someone else’s that is not a Jack they must add a card to their deck from their own deck.

Continue to draw and flip cards clockwise around the circle. If you run out of cards you are out.
Keep going until one player has all cards, they are the WINNER!

Reminder: How can we play fair in this game?

Art

DIY Foam Paint

1. Mix equal parts of shaving cream and PVA glue
2. Add a few drops of food colouring to desired colour and mix

TIP: Place mixture into a zip lock bag and cut the corner to use!

Outdoor
Leaf hunt

With the change of seasons from Summer to Autumn, lots of leaves are changing colour and/or falling from the trees. This is a great time to collect these leaves, twigs etc and you can use these to make a collage picture. Here are some ideas for you.

- You could also use the leaves to make leaf rubbings - put the leaf under a piece of paper and rub over the top of the paper with a crayon.
- Or make leaf prints by putting paint on the leaf and then pressing onto paper.

RECIPE OF THE WEEK
SHORTBREAD

Ingredients

- 240g Butter
- ½ Cup Icing Sugar
- 2 Cup Flour

Instructions

1. Cream butter and icing sugar together
2. Add 1 cup of flour at a time and combine well
3. Dust bench with icing sugar and roll dough into a log
4. Wrap dough with baking paper into a tight roll and refrigerate for 30 minutes
5. Preheat oven at 150 degrees and line a baking tray with baking paper
6. Remove dough from the fridge and slice.
7. Press each slice with a fork before baking
8. Bake for 15-20 mins or until golden
9. Allow biscuits to cook on a cooling rack

Store in a container ENJOY!

Answers to GKQ

1. 52
2. 4
3. Black, white, red and blue
4. purple
5. Green
6. 7
7. Totara, Kauri, Manuka, Kanuka, Miro, Kowhai, Puriri

WHAKATAUKI

He aha te mea nui o te ao? He tangata, he tangata, he tangata!

What is the most important thing in the world? People, people, people!

REMEMBER: Look after one another

Extra Challenge's

How have you been getting on with your raft challenge? I haven't seen any pictures yet of your amazing designs. If you complete the challenge, send your pictures to the email address below so we can share on face book.

Raft Challenge

Design and build a raft out of recycled materials in your house and try to float it in the bath or the sink.

If it floats well, then try adding weight to it such as small pebbles or small plastic toys and see how much it can take before it starts to sink. If your design works well, when we all go back to school, with your teacher and they may use your design to build a raft for next year's Kiwi Can Raft Race Event.

It would be awesome if you can take photos or videos of you and your children completing any of these activities and email me on tracy.walker@dinglefoundation.org.nz so that we can share onto our face book page.
