

# Kaeo School at Home

Hi from Miss Campbell!

Here is your plan for this week. Some things may be easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it. You don't have to but you can email me, stephanie.campbell@kaeo.school.nz when you have finished an activity, or if you like, post pictures of your work on our new Facebook Page. Stay Safe, Miss Campbell

Read a book in your home to or with your parents, maybe one of your Duffy books or one online.

Think of some questions you may have for the author of the book.

For Harry Potter fans, check out this fantastic website.

### **Investigate this maths problem—remember there are lots of ways to solve it!**

Kahu lives on Albert Street. He is playing with the name of the street he lives on using numbers. He decides that all of the consonants equal 6, and all of the vowels equal 4. So the value of his street name is  $6 + 4 + 4 + 6 + 4 + 4 = 28$ .

*What is the value of your street / road name?*

*Can you find at least 5 other road names that have a value higher than Kahu's?*

*Can you find a road or street name with a total that is a tidy number?*

*What is the biggest value a road name of six letters can have?*

*What is the biggest value that you can actually find using a road or street name in NZ?*

Write a letter to a character in a book you have read.

In this letter tell the character what you think of them,

and why you feel this way.

This letter could be to a character in the book you have read above.

Here is your spelling list for this week—your goal is to be able to correctly spell each word by the end of the week and learn this spelling pattern.

'ow' 'ou'

hour, flower, now, plough, count, howl, pronounce, crowd, vowed, pound.

Draw a map of your house.

Use a different coloured or a different patterned line for walls, doors, windows and furniture.
