Investigate the maths problem below - explain what you are thinking and how you worked it out.

- The Sloppy Ice Cream Dairy has four flavours of ice cream.
- How many different cones can you buy that have two different flavours side by side in the cone?
- Practice skip counting in 2's up to 100. Use a hundreds board to help you spot the patterns you find. Draw your own hundreds board and colour in all numbers as you count in 5's.

You are an inventor. You have been asked by Groovy Joe and the dinosaurs to invent a new ice-cream flavour.

- Write a list of all the ingredients you are going to need to make your new ice-cream
- Using bullet points, write the instructions for making the ice-cream, so that Joe knows how to make it for him and his dinosaur friends.

Make an Instrument

Using things from around your house and garden, to make an instrument. Groovy Joe played the guitar, but he also made a drum out of an upside-down ice-cream tub.

Play your instrument, try and make up a song while you are playing.

Groovy Joe saw something yummy. A tub of delicious ice-cream fell out of an ice-cream van.

Groovy Joe started rubbing his tummy.

Groovy Joe was living the dream. He sat on the couch. He had a spoon and a tub of ice-cream. And he started to sing.

'Love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream'!

"ROAR!" said the little green dinosaur as he stomped into the room.

He glared at the ice-cream in Joe's hand and... took out a spoon! He put on a bib, he pulled up a chair! What did Joe say?

"It's awesome to share." And everyone sang... 'Love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream'!

"ROAR!" "Oh No!" A big dinosaur burst into the room. He glared at the ice-cream in Joe's hand and took out a ... Spoon! He put on a bib, he pulled up a chair! What did Joe say?

"It's awesome to share." And everyone sang... 'Love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream'!

"ROAR!" "Oh No!" A HUGE dinosaur smashed into the room. She glared at the ice-cream in Joe's hand and took out a ... Spoon! She put on a bib, she pulled up a chair! What did Joe say?

"It's awesome to share." And everyone sang... 'Love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream'!

"ROAR!" "OH NO!" The dinosaurs stopped dancing and they roared... the tub was empty. The ice-cream was through. So, the dinosaurs glared at you-know-who. What can Joe

do? He turned over the tub and made it a drum. Groovy Joe beat out a rum-tum-a-tum-tum.

The dinosaurs laughed, they rose from their chairs. They started to dance. They jumped in the air, and what did they say?

"It's awesome to share!" And everyone sang together ... 'Love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream, love my doggy ice-cream!'"
