

Kaeo School at Home

Hi from Mrs Robinson and Whaea Gee!

Here is your plan for this week. Some things are easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it. You don't have to but you can email me, tracey.robinson@kaeo.school.nz or whaea.gee@kaeo.school when you have finished an activity, or if you like, post pictures of your work on our new Facebook Page.

Stay Safe, Mrs Robinson and Whaea Gee.

Kiaora

Your task is to find out some interesting facts about the "Kiwi" bird.

Click on the [link below](#) {last box} for help.

Ask whanau in your bubble, they may know something about the kiwi.

Find and read a book, magazine or newspaper.

Here is your maths problem for today.

Kaya-Anne was given a marble on Tuesday. Then she was given two marbles every day for a long time. When did she get her 11th marble?

This link will help you learn to count in 2s,5s,and 10s. You could find a cap and sunglasses and move to the groove!

Today you need to think of a favourite animal, this animal could live in NZ or anywhere in the world.

To make your story sound amazing include ideas that tell your reader who, what, where, and why you have chosen to be that animal.

If I could become an animal I'd choose to be a

Today's challenge for spelling is to see how many words you can make with these endings: *at, ap, an*

How did you go with your boggle game? You can share with the class when you get back to school.

With the information you know now about the kiwi your task is...

Make a habitat for the kiwi.

Think about what this might look like. Is it dark or light inside? How big or small?

When you have finished we would love to see a photo on the Kaeo Page.
