

Kaeo School at Home

Hi from Mrs Robinson and Whaea Gee!

Here is your plan for this week. Some things are easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it. You don't have to but you can email me, tracey.robinson@kaeo.school.nz or whaea.gee@kaeo.school when you have finished an activity, or if you like, post pictures of your work on our new Facebook Page.

Stay Safe, Mrs Robinson and Whaea Gee.

READ

Read a book in your home to or with your parents. Maybe one of your Duffy books or one online. You might like to act out a scene for your family and see if they can guess which character you were.

Investigate this maths problem—remember there are lots of ways to solve it!

I helped mum bake some cookies.

We made 12 altogether.

I shared them equally between myself, my sister, my brother and mum.

How many did we get each?

Find a picture from a favourite book or photo online.

Every picture tells a story, use your own imagination to write about the picture/photo.

Remember to read your work and to check that it makes sense and that your sentences start with capital letters and they finish with full stops.

Here is your spelling list for this week. You could write your words in rainbow colours, with bubble letters or write them in alphabetical order. See if you can spell them correctly by next week. You can choose which list you learn.

- (1) play, going, then, went, she, got, like, with, was, some
- (2) around, would, night, people, from, food, saw, took

Ask your family these questions and decide who has the best answer.

If your stuffed animals could talk, what would they say?

If you could grow anything in the garden, what would it be? Why?

If you could do anything right now, what would you do?
