

Kaeo School at Home

Hi from Mrs Molesworth,

Here is your plan for today. Some things are easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it. I hope you are all well and happy. Mr Molesworth and I did lots of firewood this week and Billy Cat did lots of sleeping!

Share another book with someone in your whanau, maybe one of your Duffy books or one online, and talk about your favourite page. You may have noticed some words or letters you know, or a ? or ! or a fullstop. After you have done this I would like you to make The Egg Flip Game! This is abit like the Flipping Pancakes activity but using words instead of numbers. Draw the shape of an egg that is cracked and ready to cook. In the middle draw the yolk and colour it yellow. An adult will write a word in the yolk. You will need to draw 10 eggs. The 10 words to put on the yolk are the basic sight words you need to know to help you learn to read. They are.... I , a , the , to , am , is , and , in , see , look. Cut them out. Flip them and say them.

Today you are going to play Toilet Roll Bowling! You need 10 used toilet rolls and a small ball. Set up your toilet rolls like in a Bowling Ally. Bowl your ball into the toilet rolls and see how many you can bowl over. Count them and write the number on a piece of paper, you can get an adult to help you or you can find that number from one of your Flipping Pancakes. See what your biggest number of rolls bowled over was.

Draw a picture of your favourite foods you have had in this lockdown time. Discuss this with an adult, talk about the colours you will use, and the shape of the food. Ask your adult to write your story, think of some interesting words you could use to describe how it tasted! I made some yummy cookies and they were crunchy and sweet!

You are learning a lot about your letter formation so this week I want you to choose your own letters to practice. I also want you to practice 2 letters you find hard to write. You can get an adult to help you if you need it. You might like to write the uppercase and the lowercase letter e.g Hh

For your Art I want you to draw our Hungry Caterpillar again, but this time you are going to draw line patterns inside his body. I want you to sit the caterpillar on a branch, so you need to put legs on it. Remember you need to draw a circle for the head with eyes, mouth and feelers. Then draw 10 circles for his body. In each circle draw a pattern, it could be circles or zigzags or wavy lines or straight lines. Then colour each circle a different colour. You could give your caterpillar a name! Have fun.
