

Kaeo School at Home

Hi from Mrs Molesworth,

Here is your plan for today—you will get another on Wednesday. Some things are easy for you to do and some may be a little more difficult. It's ok to get Mum or Dad to help you—they may enjoy it! Your job is to work on the tasks over the next two days, your parents job is to help you out and to check that you understood the activity and that you completed it.

Share a book with someone in your whanau, maybe one of your Duffy books or one online, and talk about your favourite page. You may have noticed some words or letters you know, or a ? or ! or a fullstop. You can tell us about this at Sharing Time when you come back to school.

READ

Draw around your hand and colour it in yellow. Put some legs on the bottom, and a beak, eye and comb on the top of the thumb. This is your Easter Hen! Now draw 5 little chicks following behind. Draw 4 little clouds in the sky. Draw a basket with some Easter Eggs in it.

123

Draw a picture of something you did at Easter. Get an adult to help you write your story.

In Room 7 we call this our alphabet work. Remember our play dough letter mats and how we were practicing to write letters on our little whiteboards? Well this week lets practice caterpillar C or Magic C. Remember Magic C is the same movement for the letters — a g d q . If you have a paint brush you can dip it in some water and practice writing your letters on some concrete or use your finger to trace your letters in a patch of dirt. Then try writing your letters on some paper with a pen, crayon or marker.

Make up your own Balance Game! Have a Balance Race with your whanau! It could be a spoon with an egg on it, or a pool noodle with a frisbee on top! You could time the race or make predictions if big steps or quick little steps are the best. Have fun.
