Term 2

Week 2

Hello,

Over the last couple of days I've been calling families to see their plans regarding school whilst we are under Covid 19 Alert Level 3. It is a hard job because many of our contact details are incorrect but fixing that is for another day (but as soon as school starts let us know the correct ones please!).

What has been good through that process is to hear that everyone is ok, that they are safe and doing well. That has and continues to be the main goal right now.

You will of course be aware that we enter Covid 19 Alert Level 3 next week and at that level families are urged to keep their children at home where possible, that almost all of our families are able to do is good news in relation to keeping Covid 19 at bay.

Our plan now is to continue providing the Kaeo School At Home activity sheets through the Kaeo School At Home Facebook page and from next week to supplement this by also making hard copy activity packs that will be sent to you.

We are currently considering how best to get these packs out to everyone – but keep your eyes peeled they will be coming! As with the Kaeo School At Home activities these will be designed to be helpful and not stressful – do what suits you, when it suits you, and consider your individual circumstances. If it's not working and you find the activities are not helping simply stop doing them – it really is ok.

It feels like we are making progress, and getting closer to getting back to school and back to normal. Keep doing the social distance thing, washing hands, staying home where at all possible and encouraging everyone to do likewise, and we will get there!

Paul Barker.

Students of the Week

Lot's more cool things happening this week through the Kaeo School At Home Facebook page. Here are some more nice pictures!

Keep up the good work everyone!
