

Kaeo School at Home

Ata Mārie everyone,

Congratulations on doing your part to help us be able to go to level 2! Wahooo.

School will be starting up again soon and I am so excited to see you all!

I can't wait to catch up during circle time, play some games, and do some learning!

As we are heading back to our kura soon this activity sheet is all about school.

Practicing your reading

Think of something you have been told that will help you improve your reading.

Back to school

Miss Harris needs to collect the right amount of card for Room 3's back to school art. Each student will need 2 and 1/2 pieces of card. There are 25 students in the class. How many pieces of card will she need to collect altogether?

Back to school letter

Write me a letter about how you feel about coming back to school?

What are you excited about? What are you worried about? What have you been doing in your bubble? Bring it to school with you and put it in our new classroom post box on.

Mind splat

Can you write a word to do with Kaeo School for every letter of the alphabet?

Get someone in your bubble to check your spelling afterwards. Practice any you have misspelled.

Example: A-awesome B-books C-circle time

Dream classroom

Can you create a poster about your dream classroom?

Draw a picture of what it would look like and all the things you would do there!

Talk with someone in your bubble about what you think makes a great classroom? What makes a good teacher? What do you need to do to be a good classmate?
