

Kaeo School at Home

Talofa from Miss Harris.

I can't believe it is May already and autumn is here! Autumn is a lovely time of year. The trees are a rainbow of colours and the evenings are nice and cool for sleeping.

This weeks activity sheet is all about the beautiful season of autumn or ngahuru .

Ngahuru means harvest (amongst other things) as this is an important time of the year for collecting and gathering food.

Lots of leaves

Go outside and collect 5 handfuls of leaves.

Take you leaves back inside. Can you find 10 ways to work out how many leaves you have?

Example: I have 26 leaves

$12+12+2=26$ $10+10+6=26$ $5+5+5+5+6=26$

Colour Change

Why do leaves change colour in autumn? Can you write a short story explaining why you think this happens? You can choose to write a story that is non-fiction (true) or fiction (make believe).

Autumn word scramble

How many words can you make in 1 minute using these letters below?

Practice any words you misspell.

RESCAWRO

Bonus: Can you use all the letters to make one word?

Leaf Art

Collect a range of leaves all shapes, colours and sizes. Can you create a picture only using leaves? You can cut them up, glue them, paint them, dry them anything you like!
