

Nga mihi nui ki a koutou katoa. Warm greetings to you all.

Last term we were working on Positive Relationships, under the three modules of:

Fairness and Fairplay – *Sometimes you win, sometimes you're beat, just try your best and never cheat.*

Leadership – *Leaders are fair, leaders are fun, leaders include everyone.*

Conflict Resolution – *Sometimes you're right, sometimes you're wrong, but if we work together we can all get along.*

We were lucky to be able to hold “The Great Whangaroa Kiwi Can Raft Race”, just before restrictions on big gatherings, on the 14th March in the lovely Whangaroa Harbour. As most of you will know, Kaeo School took out first place again this year. The team was amazing, they worked together and showed that team work really helps to achieve what you want to achieve. Well done to the “Kaeo Hunters”.

Well done to **Shiloh, Zion, Dan and Lee** for their hard work and a big thank you to **Ron Martin** for his dedication to the Kaeo School team and his amazing designed waka created from recycled material from the Marlin Hotel.

Below: All of the school teams lined up and ready to race.

Over the Covid 19 lockdown, Kiwi Can were still hard at work producing weekly activity sheets which were shared on the Kaeo School at Home face book page.

All of our leaders are now pleased to be back at work and looking forward to getting back into all of our schools. At present the majority are at Kaeo School catching up on the missed lessons under the theme of RESILIENCE!
