**Term 2**

**Week 8**

Hello,

With all the changes around the school year so far one could be forgiven for not being quite sure where we are!

This is week 8 of the term and after this week we have four weeks of school before the winter holidays. The term ends on Friday the 3<sup>rd</sup> of July.

Before then we will continue getting things 'back to normal' and refocussing more and more on core learning. We will get there.

We are planning a special event before the term ends for Matariki but also to celebrate that we all have successfully made it through the pandemic.

There will be more information to come in the next couple of weeks but firstly we are on the look out for a couple or three hangi masters for Thursday the 2<sup>nd</sup> of July. Ladies we are relying on you to volunteer your husbands – their work would be most appreciated and suitably rewarded!

Please let Whaea Gee or myself know if you can help.

Kind regards,  
Paul Barker.

### What's ahead

22 June	BOT Meeting
30 June	Matariki Day at School
2 July	To be announced'
3 July	End of Term 2- school finishes at 1pm
20 July	Term 3 begins
22 July	Parent Interview Day
3 August	BOT Meeting
14 September	BOT Meeting
25 September	Term 3 Ends

### Students of the Week

Congratulations to our Students of the Week for Week 7 – Amaara, Lucas, Raiha, Neveah, Eva and Levi.

### Pandemic

If, as it appears likely, that we move to Covid 19 Alert Level 1 sometime next week then school can move even closer to operating as we did 'pre Covid'. We expect that some level of contact tracing may still be required and if this is so then we will still ask that all visitors to school sign in but restrictions about coming into school will, happily, be lifted.

We still have a fair bit of hand sanitiser and we will continue to ask children to use this until our supplies run out because we are hopeful that its use will help reduce the normal coughs and colds experienced at this time year. Children will also be asked to use hand sanitiser as they enter the bus each morning and before we send them home again.

It is great that we have been able as a country to reach this stage – almost there!

### Welcome

Welcome to Tahlia Howard who is spending some of her teacher training time with Mrs Molesworth and the lovely children in Room 7.
