**Week 9**

Hello,

Thanks to those that have already returned your 'Waiata Winter Wonderland, Matariki 2020 forms and thank you especially to those that have kindly offered to support this event through donations towards our hangi. We almost have enough potato donated and so look further down the list now please if you are able to help – thanks again.

Planning is continuing and more details will be sent out over the coming weeks but it is most important that we know how many people will be attending – both for catering and for the general organisation of the evening. Even if you cannot donate towards the hangi please do return your form or let the office know as soon as possible if you plan to attend so that we can make this an enjoyable occasion for all.

Kind regards,  
 Paul Barker.

### Pandemic

Now that we are at Covid 19 Alert Level 1 school has completely returned to normal and we welcome parents and whanau back to school. We do ask that if you are feeling unwell that you stay at home but otherwise it will be lovely to see you all again.

### Parent Interviews

Normally we would have had initial parent/teacher interviews by now but Covid got in the way a little. Our plan is to have these in the first week of Term 3 and to try an amended format. In past years we have had two afternoons and evenings and in the middle of winter this has made things a little difficult. So instead we plan to have a teacher only day and have interviews scheduled across the day. Further information including a time booking sheet will be sent home before the holidays.

### Dental Clinic

The Dental Clinic will resume services from next Monday. Every child will be seen and, if required, work undertaken provided that we hold a dental permission slip.

### Students of the Week

Congratulations to our Students of the Week for Week 8 – Raiha, Khloe, Kymani, Lexie, Ethan James and Ahurei. Awesome work guys!
