

News from Room 6

First a special welcome to Mila McManus, Kobe Guy and Tyler Hickey, who joined us in Term 2, we're lucky to have these lovely children in Room 6, they have all settled in well.

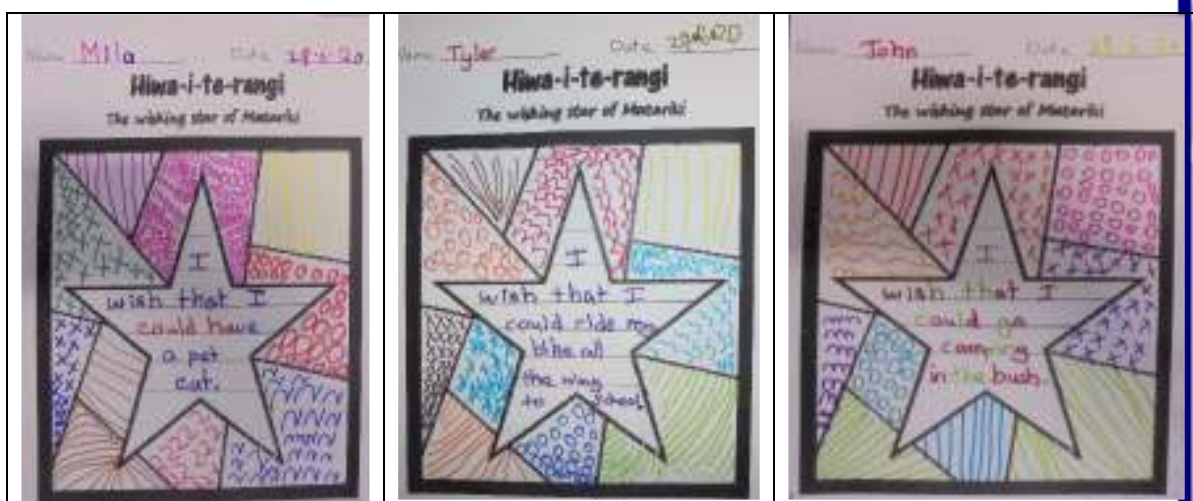

This Term has flown by, we have ended the Term with our thinking around Matariki. We have enjoyed learning about and preparing to celebrate Matariki would like to share some of our colourful pastel Art work. We will have to wait a little longer than expected for our special event, Winter Waiata Wonderland which will hopefully take place next Term.

We hope you have fun finding the themes that we have been learning about in this word find.
(whetu, stars, korero, stories, maramatake, lunar calendar, kai, food, whanau, family, whenua, land)

We have been learning about the 9 stars of Matariki. Here are some of our wishes that we would like to make this year when we see Hiwa-i-te-rangi, the wishing star, in the sky.

We hope you all have a lovely winter break and are keeping our fingers crossed for some nice sunny days.
