

# Kia Ora - From Room 2

We have had a very busy start to Term 3 with our Matariki celebrations, speech presentations, times tables competition and preparing for our Spelling Bee!  
... But these are our excited faces for what is in store for us for the remainder of Term 3!

## Whitebait Connection Programme

Rooms 1 and 2 will be learning about Whitebait and going on a few field trips to local waterways!

## STEM (Science, Technology, English, Maths)

Rooms 1, 2, 3 and 4 have begun a collaborative STEM programme where, every Friday morning, we get a chance to learn about some new and interesting things through hands-on, interactive learning!

## Chapter Chat

We are doing another chapter chat with Room 3 which we are delighted about! We will be reading the novel WINK by Rob Harell.
