

Kia ora e te whānau

from Room 3

Kia ora koutou! It has been a busy time in Room 3.

We have been creating comics, making clay characters, investigating our identities and we have started a STEM rotation with Rooms 1, 2 and 4.

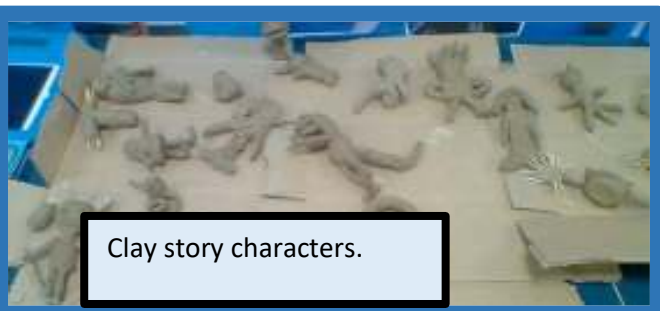

STEM is all about investigating Science, Engineering, Mathematics and Technology. It's hands on and very creative!

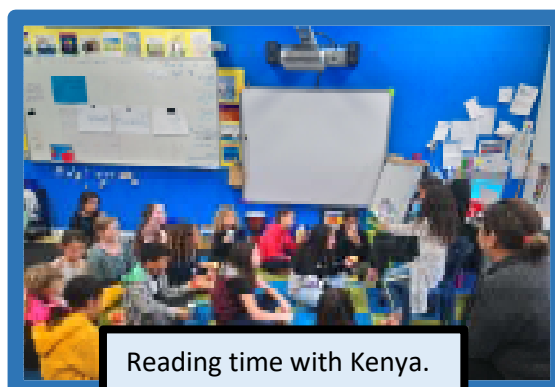

Room 3 STEM. Investigation into magnetism.

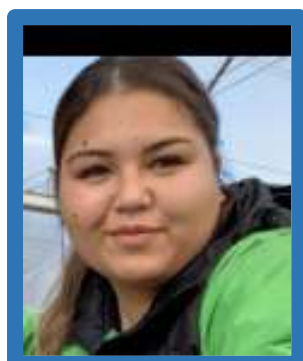

Room 3 STEM. Creating a game using magnetic force.

Clay story characters.

Reading time with Kenya.

Nau mai to Whaea Kenya!

We very lucky to have Whaea Kenya joining our classroom. Kenya is a 2nd year student teacher and will be a part of the Room 3 whanau for Term 3. If you see her around, make sure you say hi!
