

Room 4 - Newsletter

Week 5 - Term 3

In Room 4 we have been experimenting with dye and vivid paintings using the theme of 'Folk Art Trees'. Here are some of our finished Folk Art Tree pictures.

First we looked at some examples of folk art designs and practiced them on a scrap piece of paper.

Next, we looked at the shapes of the tree trunks and drew them onto thick art paper.

After that, we drew the branches onto our trees, using the theme of folk art.

Then, we chose different folk art coloured dye to put leaves on our trees.

Finally we cut our trees out and glued them onto white paper, and cut them out to give a white border.

After that we arranged our trees and glued them onto black paper.
