

Market Day, Market Day, Market Day!

Early next term Room 1 are holding their annual Market Day. This event is our fundraiser for the Year 6 Graduation Evening.

If you were thinking of cleaning out your sheds/kitchen cupboards etc, and have second hands goods that still have a bit of life in them, maybe during the holidays you could gather them up ready to bring in to school in the first few weeks of next term for our Market Day.

Kids – this is a good time to sort through your toys and find the things you no longer play with. They could become the favourite toy of someone else at our school.

So please have a forage around at home, and support our market day by donating any used goods you no longer need.

(Please no old t.v's or laptops)

**A big thank you to all of our parents and
Project Island Song for an awesome day
out at Urupukapuka Island!**
