

Nga mihi nui ki a koutou katoa. Warm greetings to you all.

This term we were working on Integrity, under the three topics of:

Making Good Choices – *“Right is right, even if no one is doing it. Wrong is wrong, even if everyone is doing it.”*

Role Models – *“Good role models, role model good choices”.*

Accountability – *‘We are honest, we are true, we take ownership for what we do.’*

Ask your child who they think are good role models within their school and community.

Jodeci was lucky enough to be able to support Room 1 on their trip to Urupukapuka Island on Tuesday. It was amazing seeing all the mahi that Project Island Song do on the island and the listen to all the bird life that is now starting to flourish on this beautiful island.

Exciting things are happening within our organisation over the next 15 months. We are piloting a combined secondary school programme in both Whangaroa College and Taipa Area School commencing in 2021. This programme will combine the 2 awesome Graeme Dingle Foundation Programmes, Stars, a peer mentoring programme and Career Navigator, a programme aimed at providing the skills and knowledge necessary for the senior students to be ready and prepared for work or tertiary education. We are really looking forward to being able to continue working with the year 6's this year that will be moving on to Whangaroa College in 2021.

As we will not only be delivering Kiwi Can in the future our name will also be changing from The Whangaroa Kiwi Can Charitable Trust to **Graeme Dingle Foundation Far North** so if you see this name popping up around the area, you will know it is us.

Keep an ear out to hear more updates on this in the media and advertising as we prepare for the launch.
