

Kia Ora from Room 7

It's hard to believe we are nearly at the end of Term 3 of our first year at school. It has been a busy time focusing on our Maths and Literacy. The "Singing Walrus" has helped us with writing letters correctly and we now read from our practice boxes every day. Our daily P.E programme has made us fitter, stronger and more co-ordinated. We love our new bouncy balls and skipping ropes. This is us celebrating 100 Days at School !
