Kia Ora,

One of the difficulties of this year has been that Covid 19 has seen the cancellation of so many of the things that make the year more interesting and fun. Inter school sports including the annual cross country and winter sports days have fallen foul of the pandemic as have our senior camp and our challenge for rippa rugby success in the Northland competitions. This is all understandable and we hope that come 2021 many if not all of these events will return to our school calendar.

It was great then, that we were able to enjoy Wacky Hair Day yesterday together. It was a fun event for a very good cause (supporting the Child Cancer Foundation) and it provided what seems a rare opportunity this year for the children to literally let their hair down!

Thank you to everyone that supported their children get ready for the day and to those who were able to make a donation – your support is appreciated.

Nga Mihi,

Paul Barker.

### School Opening Time

School begins at 8.55am each day and in the mornings teachers are busy preparing for the day and so are unable to provide supervision for children arriving earlier than 8.20am. We understand that there may be exceptional circumstances where a child needs to be dropped at school early from time to time and if so please let your child's teacher know and we will do our best to help, but otherwise children should not arrive at school until 8.20 please.
