

# Room 2 welcomes you back from the holidays 😊

We are looking forward to term 4 and all it has to offer us! We have had Constable Rob at school this week talking to us about keeping ourselves safe.

We also have a few field trips planned to the local and surrounding waterways with Rosie who works for the Whitebait Connection programme!

And of course it is term 4 so that means the pool is warming up and we are so very excited to get in there as soon as possible!
