

Nga mihi nui ki a koutou katoa. Warm greetings to you all.

This term we were working on Respect, under the three topics of:

Respect for our School – *“We will respect our school, we will do it because we’re cool”*

Respect for our Community – *“Our community is for you and me. When we respect each other it’s the place to be”*

Respect for our environment – *“Don’t be mean, keep it clean. Reduce, reuse and recycle”*

Ask your child how they can respect their school, the community and the environment.

Our annual Santa Run event is to be held in the Kerikeri Domain on Thursday 3rd December.

Details in flyer below. Free Santa Suits still available for adult entries.

Get your Xmas cheer on and support Kiwi Can in our local primary schools.

Lots of spot prizes and fun to be had.
