Term 1

Week 1

Hello,

It's always one of the happiest days of the year when school resumes after the summer holidays. The children were, almost without exception, happy and excited to be back at school and the teachers and staff all looked rested and refreshed and ready for another busy year.

It was especially exciting that the children had their stationery on the first day ready to get learning underway as soon as possible. As a thank you for getting the children back to school on time this stationery is free for all children that attend school for the first two weeks – a good saving at this expensive time of year!

As always, we expect it to be a busy year at Kaeo School – full of learning and a fair bit of fun, including in Term 3 our ever popular School Production – here's to a happy 2021!

Kind regards,
Paul Barker.

Welcome

A big welcome to the many new children and families that have joined us at Kaeo School – it is great to have you here! It's only the second day of the year but everyone has made a happy and positive start to life at Kaeo School. It is short notice, and I apologise for that, but our Powhiri for our new children and staff members will be held tomorrow beginning at just after 9am. Everyone is most welcome to attend.

Canteen

Free and Healthy School Lunches are on the way and we will update you as soon as they begin but in the meantime our canteen will run as normal from next Tuesday. Attached to this newsletter is the canteen menu for your information.

Welcome

Welcome to our two new staff members. Firstly, to Mrs Natalie Carter who joins us as our Room 5 teacher and to Mr Blair Pearson who is our new caretaker. We are sure that they will enjoy their time at Kaeo School and wish them both the best of luck in their new jobs.

All the best too to both George Flavell who leaves us after many years service for a well-deserved retirement and to Wendy Sutherland who has taken a role at Peria School after her years study leave.
