Term 1

Week 2

Hello,

One of the neat things about the new school year is that we have so many new children join us here at Kaeo School. Of course we love the ones that are already here but it is always exciting getting to know the new ones and welcoming them and their families into our school whanau.

This year we have a lovely bunch of children new to our school and I'm pleased to advise that they have, in the main, all made a very positive and happy start to life at Kaeo School. Congratulations to them and to their families and long may that continue.

Congratulations too to their teachers and our staff who as always have shown so much manaaki, and to our children who without exception have been supportive and welcoming too.

Nice work everyone!

Our new children.

Kind regards,
Paul Barker.

Property News

You will all have noticed the work that is happening at the front entranceway of our school. This project was first planned way back in 2005 and so it has taken some time for it to eventuate as we have worked through more pressing property needs. A big thank you to Neil and Marie Driver who have so kindly donated the beautiful rocks that are being used. It is great that we will soon have a gorgeous entrance to our beautiful school.

The refurbishment of Rooms 1 and 2 is scheduled to begin on Monday the 22nd of March and to be completed in the second week of the term 1 school holidays. This will add a bit of inconvenience to the end of this term but we will get there and it will be worth it come the first day of term 2.

To help get this work underway we need to completely empty both of these classrooms and so we have scheduled a teachers only day for Friday the 19th of March so that this work can be completed. Please pencil that date into your diaries.
