Term 1

Week 6

Hello,

Last week at Kaeo School ended with a tsunami evacuation. This is an extremely rare event, but in usual Kaeo School style the evacuation was carried out calmly, efficiently and without issue.

Children and teachers walked up Martin Road to a high point and settled into a garden of a welcoming family halfway up the road.

Although we were there for a number of hours waiting for the all-clear to return to school, children were fed with fruit and given cups of water. Lots of games were played, children had stories read to them and they relaxed in the shade of the garden.

Well done all involved in the successful evacuation!

Mr Barker is away from school at present, as he is having a long-awaited knee operation. I will be in 'the big chair' during this time should you need any assistance.

Kind Regards
Debbie Hancock

Free Healthy School Lunches:

If your child has any special dietary requirements, please let the office know by filling out the form which was sent home recently. If no indication is made, children will be provided with the normal set menu.

19 th March	Teacher Only Day
29 th March	BOT Meeting
2 nd April	Good Friday
5 th April	Easter Monday
6 th April	Easter School Holiday
16 th April	Term Ends

Students of the Week

No Students of the week last week, we were all evacuated up at Martins Road due to the tsunami warnings.

KAEO JnT FRIDAY NIGHT TOUCH RUGBY

Friday, 12 March 2021, 4.30pm start.
Will run every Friday until the end of Term One.

Kia ora koutou katoa,
 Fun touch rugby nights for all school aged kids up to 15 years.
 This is also an opportunity for our parents and children to register their interest in coaching or playing rugby this season.
 We will then be able to determine what teams we can have and how many coaches & managers we need this year.
 Please come along to register your interest/availability and for the kids to have some fun!
 All school aged kids are welcome, whether they intend to play rugby this season or not.

A Big Thank You

A massive thank you goes out to the Michelle and her whanau who let us use their garden and facilities last Friday during the tsunami evacuation. The children

made thank you cards which we delivered along with some Easter goodies.
 This generous gesture is yet another example of the Kaeo spirit.

Head Lice

Head Lice are an ongoing problem in most schools, but with regular checking and treating, they can be controlled. Below is a website you can visit to find out more about headlice and how to treat them. I have also attached the information to this newsletter.
