Term 1

Week 7

Hello,

An autumnal feeling has been felt over the last week, especially in the mornings. However, the days can still be hot and humid. It is this time of year that lost property becomes a problem, as children come to school with jumpers on, but soon discard them when they have been running around and are hot.

The best way to locate children's misplaced items is to name it with a permanent marker, so that they can be returned.

The term is well established now, and children are into classroom and daily routines. This brings me to a reminder that school starts at 8.50 am, and teachers are straight into learning time. It is extremely disruptive if children are even just a few minutes late to class, so please ensure that your children are at school before the morning bell goes.

Mr Barker is recovering well after his knee operation. He was pleased with all the cards and wishes of a speedy recovery from the children this week.

Kind Regards
 Debbie Hancock

Senior Playground – Shade Sail:

Another exciting event at Kaeo School is that the shade sail over the senior playground should be in place by the end of this week, this will complete an amazing project. The senior playground is used constantly now that it is more accessible to all senior children.
