**Week 8**

Hello,

Welcome to Week 8. To say Kaeo School has been a hive of activity this week would be a huge understatement.

The shade sail poles were cemented into the ground. They took laser measurements to ensure that the actual sails fit perfectly, this should be installed over the next couple of weeks.

The builders began the renovations of Rooms 1 & 2, gutting the classrooms in preparation for the 'makeover'. The carpets from Rooms 1 & 2 will be used as weed matting for the new garden area.

Mr Martin is coming to the final stages of the new front entrance way; the final path was laid this week and is looking fabulous.

The school gardens continue to grow and be prepared for planting. Each class has been given a garden bed to grow, each class is busy planning and planting.

Also, the front planter pots, which have looked quite sad and empty for a while now are also under renovation and replanting.

We welcomed Mr Barker back this week from his knee operation, it is great to have him back all mended and repaired.

Kind Regards  
Debbie Hancock
